INTERNATIONAL CONFERENCE ON GLOBAL PERSPECTIVES AND FUTURE DIRECTIONS IN PHARMACY & ALLIED HEALTH

ICPAH 2026

Hybrid Mode

Oct 22nd – 23rd, 2026

Organized By:-

School of Pharmaceutical Sciences, School of Allied And Health Sciences, In Association With Advanced Centre of Research & Innovation

CGC University, Mohali

ABOUT THE CONFERENCE

The International Conference on; **Global Perspectives and Future Directions in Pharmacy & Allied Health (ICPAH-2026),** is distinguished, integrated, and forward-looking international platform that addresses the rapidly evolving landscape of healthcare sciences. Unlike existing conventional conferences that largely focus on isolated disciplines or routine scientific discussions, this conference emphasizes interdisciplinary collaboration, emerging technologies, intelligent healthcare systems, and transformative global healthcare solutions. The conference uniquely integrates core domains including pharmaceutical sciences, biotechnology, medical laboratory sciences (MLS), radiology, operation theatre technology (OTT), Optometry and forensic science with modern advancements such as artificial intelligence (AI), digital transformation, precision medicine, healthcare analytics, and smart clinical decision-making systems.

A core objective of the conferences is to facilitate interdisciplinary collaboration and exchange of ideas among researchers, academicians, healthcare professionals, policymakers, industry experts, innovators, and start-up leaders, thereby shaping future research trajectories and their implications for the growing importance of ethical governance, regulatory frameworks, patient safety, sustainability, and translational research in shaping the future of healthcare education, research, and practice.

A major distinguishing feature of this conference comprises a five thematic tracks include 1) AI and Smart Healthcare Technologies; 2) Medicinal Plants, Phytotherapeutics, and Natural Product Innovations for Sustainable Healthcare 3) Pharmaceutical Molecular Therapeutics and Future Biomedical Innovations; 4) Digital Transformation and Advanced Diagnostics; 5) Radiology, Operation Theatre Technology, and Clinical Systems; 6) Forensic Science, Regulation, and Healthcare Leadership. Furthermore, ICPAH-2026 addresses emerging challenges associated with artificial intelligence and digital technologies in healthcare, including cybersecurity, patient confidentiality, non-clinical & clinical decision-making, limited interdisciplinary collaboration, and regulatory compliance. By highlighting innovation, intelligent, decision making, real time-solutions, and emerging perspectives, the conference aims to capture a transformative global forum and future-oriented vision for modern pharmaceutical and allied health sciences.

ABOUT UNIVERSITY

Established in 2025 under the aegis of the Chandigarh Educational Society, CGC University, Mohali stands as a new-age university rooted in a legacy of 25+ years of academic excellence. Evolving from a strong educational foundation into a full-fledged university, CGC University, Mohali continues to uphold its tradition of quality learning while embracing innovation at every step.

With its proud legacy of NAAC A+ Accreditation, NIRF Rankings, NBA Accreditation, and a Platinum Rating by QS I-GAUGE, the university exemplifies high standards in teaching, research, and institutional performance. What truly sets CGC University, Mohali apart is its AI-enabled academic ecosystem and Gen Z centered vision. The university integrates cutting-edge technologies, smart learning platforms, and industry-driven curricula to prepare students for the challenges of a rapidly evolving world. Designed for holistic development, the campus fosters creativity, critical thinking, entrepreneurship, and leadership, ensuring that students don't just earn degrees but also gain real-world readiness. With experienced faculty, world-class infrastructure, affordable education, and a global outlook, CGC University, Mohali has emerged as a preferred destination for aspiring change makers and future leaders across the nation.

We offer a wide range of Undergraduate and Postgraduate Programs including B. Tech, BCA, BBA, B.Com, Law, Journalism, Pharmacy, Fashion Designing, Paramedical Science, MBA, and MCA at affordable fees.
Enroll Yourself to Experience a Vibrant Future.

THEME :

"Integrating Innovation, AI, Ethics, and Healthcare Transformation for a Sustainable Global Future"

CONFERENCE TRACKS :

Track 1: AI and Smart Healthcare Technologies

- AI-Enabled Smart Pharmaceutical Interventions
- Predictive Modelling, Risk Stratification, and Early Disease Detection
- Autonomous Systems, Human–Machine Collaboration, and Clinical Engineering
- Computational Decision Support for Precision Treatment Strategies
- Ethical, Legal, and Societal Dimensions of Emerging Intelligent Solutions

Track 2: Medicinal Plants, Phytotherapeutics, and Natural Product Innovations for Sustainable Healthcare

- Indigenous Knowledge, Traditional Medicine, and Plant-Based Healthcare Innovations
- Advanced Phytopharmaceutical Formulations and Botanical Drug Delivery Systems
- Ethnopharmacological Validation and Green Nanotechnology for Phytomedicine
- Medicinal Plant Translation from Laboratory Research to Clinical Therapeutics
- Evidence-Based Phytotherapy and Integrative Approaches for Global Health Sustainability

Track 3: Pharmaceutical-Molecular Therapeutics and Future Biomedical Innovations

- Novel Pharmacological Design, Target Identification, and Therapeutic Optimization
- Genome Engineering, Cellular Reprogramming, and Tissue Restoration Approaches
- Nanocarriers, Target-Specific Delivery Platforms, and Controlled Release Mechanisms
- Systems Biology, In-Silico Modelling, and Omics-Based Research
- Translational Research, Entrepreneurship, and Biomedical Commercialization Pathways

Track 4: Digital Transformation and Advanced Diagnostics

- Connected Care Networks, Remote Consultation, and Virtual Service Delivery
- High-Throughput Testing Platforms and Workflow Optimization Strategies
- Biomarker Profiling, Molecular Screening, and Histopathological Advances
- Information Architecture, Data Interoperability, and Knowledge Management
- Governance Frameworks, Privacy Protection, and Future Technology Adoption

Track 5: Radiology, Operation Theatre Technology, and Clinical Systems

- Advanced Visualization Modalities and Minimally Invasive Procedural Guidance
- Surgical Environment Optimization, Intraoperative Support, and Safety Enhancement
- Integrated Clinical Operations, Workflow Coordination, and Outcome Monitoring
- Intelligent Infrastructure, Equipment Connectivity, and Operational Efficiency

Track 6: Forensic Science, Regulation, and Healthcare Leadership

- Criminalistics, Trace Evidence Evaluation, and Investigative Methodologies
- Regulatory Affairs, Accreditation Standards, and Professional Oversight
- Executive Leadership, Resource Stewardship, and Organizational Transformation
- Performance Excellence, Compliance Monitoring, and Continuous Improvement Systems

CALL FOR PAPERS :

Researchers, Academicians, Students, and Industry Professionals are invited to participate in the ICPAH-2026. Participants are required to submit a Full-Length Manuscript through the icpah@cgcuniversity.in. All submitted manuscripts will undergo a Rigorous Peer-Review Process based on Originality, Technical Quality, Scientific Merit, and Relevance to the Conference Themes.

Accepted Papers will be considered for Conference Presentation and Publication Opportunities as per the conference guidelines. All authors submitting manuscripts must sign a Declaration of Originality confirming the authenticity of their work before Final Submission.

PAPER TEMPLATE :

For Paper Proposal

Authors are requested to submit an original, unpublished abstract of not more than 250 words, along with five keywords. Abstracts should be submitted only in Microsoft Word (MS Word) format using Times New Roman font. The name of the corresponding author should be underlined or indicated with an asterisk (*), along with the complete mailing address and email address.

The abstract should provide a concise and accurate overview of the study, including its objectives, methodology, key findings, and significance. It should effectively reflect the complete scope of the manuscript, enabling editors and reviewers to assess its originality, scientific quality, and relevance to the conference themes. A well-structured abstract facilitates the peer-review process and supports efficient editorial evaluation.

For Full-Length Paper

The authors are requested to submit their Manuscripts in the form of Research Papers and Review Papers, with no more than length of 6000 Words. All submitted manuscripts will undergo a Standard Peer-Review Process and must comply with a Plagiarism Limit of Less Than 10% & AI 0%. Publication in Scopus indexed conference proceedings book/journals will be based on the quality, originality, scientific merit, and reviewers' recommendations.

IMPORTANT DEADLINES :

Deadline for Paper Proposal Submission	**August 25, 2026**
Deadline for Full Paper Submission	**September 05, 2026**
Deadline for Acceptance of Paper	**September 25, 2026**
Registration Starts	**September 26, 2026**
Deadline for Registration	**September 30, 2026**
