ABOUT THE COURSE AND ITS SCOPE

BBA (Hons.) Supply Chain Management is an advanced undergraduate program that provides in-depth knowledge of logistics, procurement, inventory management, transportation, warehousing, operations, and global supply chain strategies. The honours curriculum emphasizes analytical thinking, data-driven decision-making, and industry-focused learning to prepare students for complex business environments. As organizations increasingly rely on efficient supply chains to enhance productivity and customer satisfaction, the demand for skilled professionals continues to rise. Graduates can explore diverse career opportunities across manufacturing, retail, e-commerce, healthcare, logistics, and multinational corporations, making Supply Chain Management a highly rewarding and future-oriented field with global relevance.

BBA (Hons) SUPPLY CHAIN MANAGEMENT AT CGC UNIVERSITY, MOHALI

BBA (Hons.) Supply Chain Management at CGC University, Mohali is a specialized undergraduate program designed to build strong expertise in logistics, procurement, inventory control, warehousing, transportation, and global supply chain operations. The curriculum integrates core business management principles with advanced supply chain strategies, enabling students to understand real-world industry challenges. Through experiential learning, case studies, industrial exposure, and skill-based training, students develop analytical, managerial, and decision-making abilities. The program prepares graduates for dynamic careers in manufacturing, retail, e-commerce, logistics, and multinational companies, equipping them to become industry-ready professionals capable of managing complex and evolving global supply chain networks effectively.

ELIGIBILITY

Passed 10+2 or an equivalent examination in any stream from a recognized board with at least 50% marks (45% for reserved categories)

WHY CGC University, Mohali?

CGC University, Mohali is a New Age University built for the aspirations of the **Gen-Z generation** — dynamic, digitally native, and future-focused. Designed to nurture both intellect and innovation, the campus is a hub of academic brilliance powered by **AI-enabled learning environments** and forward-thinking infrastructure. With a team of experienced and passionate educators, students receive not just technical instruction, but transformative guidance that prepares them for the ever-evolving global landscape. From **smart classrooms** and c**utting-edge computer labs** to a fully **computerized digital library** with vast e-resources, every facility supports modern, hands-on learning. Round-the-clock **Wi-Fi connectivity**, immersive seminar zones, and digitally integrated academic tools ensure that students can explore, collaborate, and innovate without limits. The entire campus is designed to foster holistic development — blending knowledge, technology, and creativity to empower the changemakers of tomorrow. At CGC University, Mohali we don't just prepare students for the future — **we prepare them to lead it.**
