BACHELOR OF BUSINESS ADMINISTRATION
(BUSINESS ANALYTICS)

In Association With EY, India

Advanced Industry-Driven Learning for Data-Led Business Leadership

Admission Helpline: **+91 84376 04444**

Program Overview

The **Bachelor of Business Administration (Business Analytics) in association with Ernst & Young (EY, India)** is a future-focused postgraduate program designed to develop leaders capable of driving strategic decisions through data and analytics.

Through live instructor-led sessions, experiential learning, and mentorship from industry experts, students gain advanced expertise in **business analytics, data-driven strategy, artificial intelligence, and decision sciences,** ensuring strong employability across global industries.

This program integrates core management principles with cutting-edge analytics applications, empowering graduates to transform complex data into impactful business strategies.

Key Program Highlights

- Live Instructor-Led Sessions: Advanced training from certified analytics professionals
- Mentorship from EY, India Experts: Industry mentorship connecting classroom theory with real business scenarios
- Experiential Learning: Hands-on analytics labs, live consulting projects, and case studies
- Industry Certifications: Globally recognized EY, India certifications in Business Analytics and AI
- Future-Ready Skills: Expertise in predictive analytics, AI-driven decision-making, and business intelligence
- High Career Potential: Access to premium analytics and consulting opportunities worldwide
- Placement Preparedness: Resume building, mock interviews, and executive career mentoring
