ABOUT THE COURSE AND ITS SCOPE

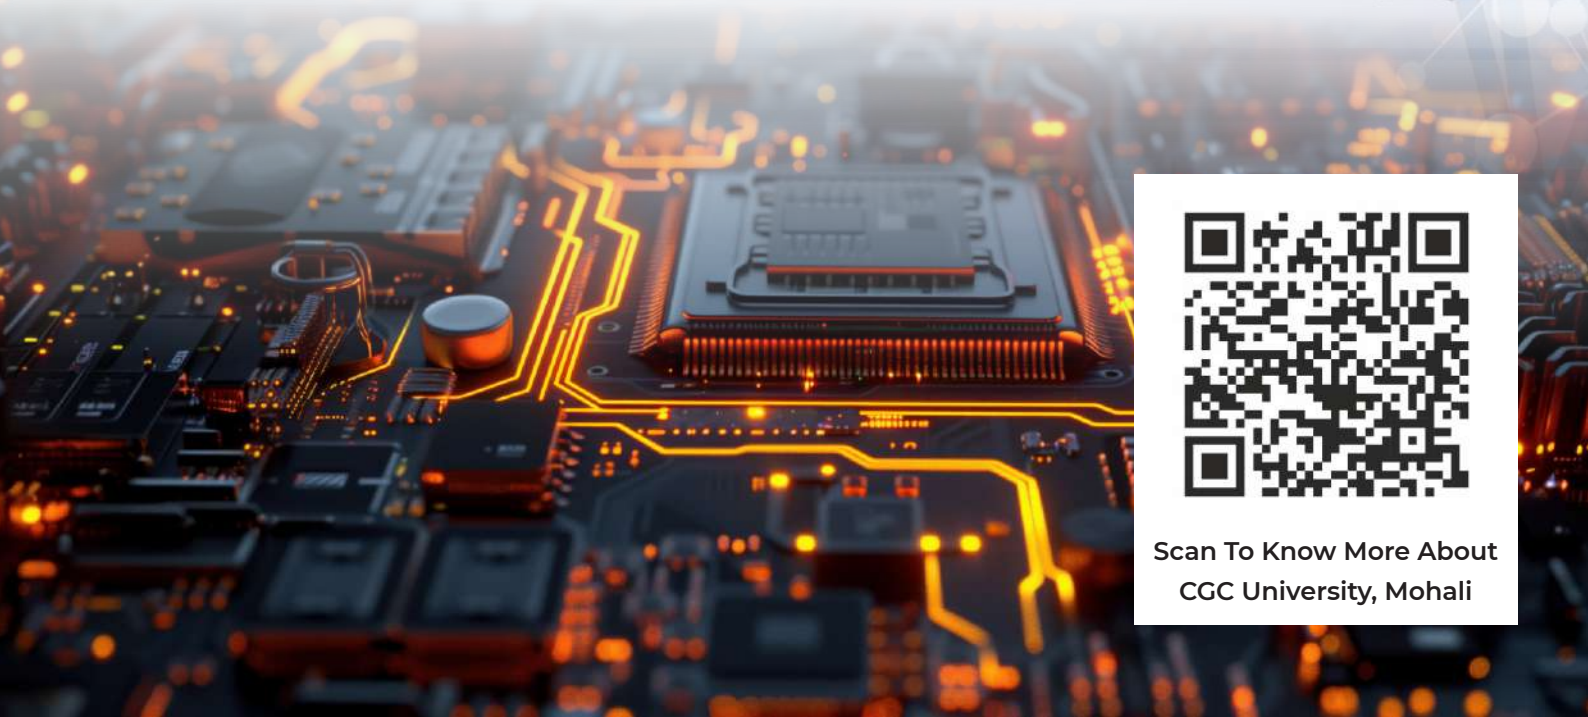

The B.Tech. Computer Science Engineering (AI & DS) equips students with the essential skills to analyze, interpret, and leverage vast amounts of data to solve complex problems and make informed decisions. The course covers a range of topics, including machine learning, statistical analysis, data mining, and big data technologies, providing a strong foundation in both theoretical knowledge and practical application. With the rapid growth of data across industries such as healthcare, finance, marketing, and technology, the scope of data science is vast and ever-expanding. Graduates of this program are well-prepared to take on roles such as data scientists, data analysts, machine learning engineers, and business intelligence specialists, contributing to data-driven innovations that shape the future of industries worldwide.

B.TECH. COMPUTER SCIENCE ENGINEERING (AI & DS) AT CGC UNIVERSITY, MOHALI

CGC University, Mohali B.Tech. Computer Science Engineering (AI & DS) program is designed to provide students with a strong foundation in data science, equipping them with the essential skills to analyse and interpret complex data sets. The program blends theoretical knowledge with hands-on learning, covering key topics such as machine learning, big data analytics, statistical analysis, and data mining. Students are trained to use advanced tools and technologies to solve real-world problems across various sectors. With a focus on not just technical expertise but also interpersonal skills, leadership, and teamwork, this program prepares graduates to excel in the ever-evolving field of data science and contribute to the data-driven transformation of industries worldwide.

ELIGIBILITY

Candidates must have passed 10+2 from a recognized board with Physics and Maths, securing at least 60% marks (55% for reserved categories) in these subjects combined with one of the following: Chemistry, Computer Science, Electronics, IT, Biology, Biotechnology, Technical Vocational Subject, Agriculture, Engineering Graphics, or Business Studies.
