ABOUT THE COURSE AND ITS SCOPE

The BCA with Specialization in AI & ML is a future-focused undergraduate program designed to equip students with essential knowledge in computer applications along with in-demand expertise in Artificial Intelligence and Machine Learning. This course blends core programming skills with cutting-edge technologies like neural networks, deep learning, data science, and intelligent systems. It prepares students to build smart applications, automate processes, and solve complex real-world problems. With the growing demand for AI professionals across industries—ranging from healthcare and finance to e-commerce and robotics—graduates of this program are well-positioned for dynamic career opportunities in a rapidly evolving digital world.

BCA WITH SPECIALIZATION IN AI&ML AT CGC UNIVERSITY, MOHALI

The BCA with Specialization in AI & ML at CGC University, Mohali is a cutting-edge program tailored for aspiring tech professionals of the Gen-Z era. As a New-Age AI University, CGC equips students with a strong foundation in computer applications while diving deep into the realms of Artificial Intelligence and Machine Learning. The curriculum focuses on practical skills like algorithm design, neural networks, and intelligent automation through hands-on labs and real-world projects. With state-of-the-art infrastructure and expert faculty, this program opens doors to futuristic careers in data science, AI development, robotics, and more—empowering students to lead in a tech-driven world.

ELIGIBILITY & DURATION

Duration - 3 years

Eligibility - Candidates must have passed the 10+2 or an equivalent examination in any stream from a recognized board with at least 50% marks (45% for reserved categories)

WHY CGC UNIVERSITY, MOHALI?

CGC University, Mohali is a New Age University built for the aspirations of the **Gen-Z generation** — dynamic, digitally native, and future-focused. Designed to nurture both intellect and innovation, the campus is a hub of academic brilliance powered by **AI-enabled learning environments** and forward-thinking infrastructure. With a team of experienced and passionate educators, students receive not just technical instruction, but transformative guidance that prepares them for the ever-evolving global landscape. From **smart classrooms and cutting-edge computer labs** to a fully computerized digital library with vast e-resources, every facility supports modern, hands-on learning. Round-the-clock **Wi-Fi connectivity**, immersive seminar zones, and digitally integrated academic tools ensure that students can explore, collaborate, and innovate without limits. The entire campus is designed to foster holistic development — blending knowledge, technology, and creativity to empower the changemakers of tomorrow. At CGC University, Mohali we don't just prepare students for the future — **we prepare them to lead it.**
