OUR LEGACY

M.TECH MECHANICAL ENGINEERING

**POWERING INNOVATION
THROUGH PRECISION ENGINEERING**

Admission Helpline: +91 84376 04444

ABOUT THE COURSE AND ITS SCOPE

M.Tech in Mechanical Engineering is a postgraduate program that deepens knowledge in areas such as thermal engineering, design, manufacturing, fluid mechanics, automation, and robotics. The course is designed to enhance analytical, technical, and research skills while fostering innovation in engineering solutions. With a strong foundation in core mechanical principles and exposure to modern technologies, students are equipped to solve real-world engineering challenges. The scope of this program spans various industries including automotive, aerospace, energy, manufacturing, and robotics. Graduates can pursue careers in research and development, design engineering, production management, academia, or even launch their own technology ventures.

M.TECH MECHANICAL ENGINEERING AT CGC UNIVERSITY, MOHALI

The M.Tech in Mechanical Engineering at CGC University, Mohali is a future-focused postgraduate program that blends core mechanical principles with emerging technologies. Designed to foster innovation, the curriculum covers advanced topics in design, thermal engineering, manufacturing, fluid mechanics, and robotics. With access to modern laboratories, industry-oriented projects, and expert faculty, students gain both theoretical depth and practical experience. The program emphasizes research, problem-solving, and real-world application, preparing graduates for high-impact roles in industries such as automotive, aerospace, energy, and manufacturing. CGC University, Mohali's dynamic ecosystem nurtures engineering leaders ready to drive technological advancement and contribute meaningfully to the global industrial landscape.

ELIGIBILITY

Candidates who have completed a B.E./B.Tech. degree in Mechanical, Industrial, Production, Manufacturing, Welding, Material Science, or Metallurgy Engineering, or an equivalent branch, are eligible with minimum marks of 55% (General) and 50% (SC/ST).

CGC University, Mohali

WHY CGC UNIVERSITY, MOHALI?

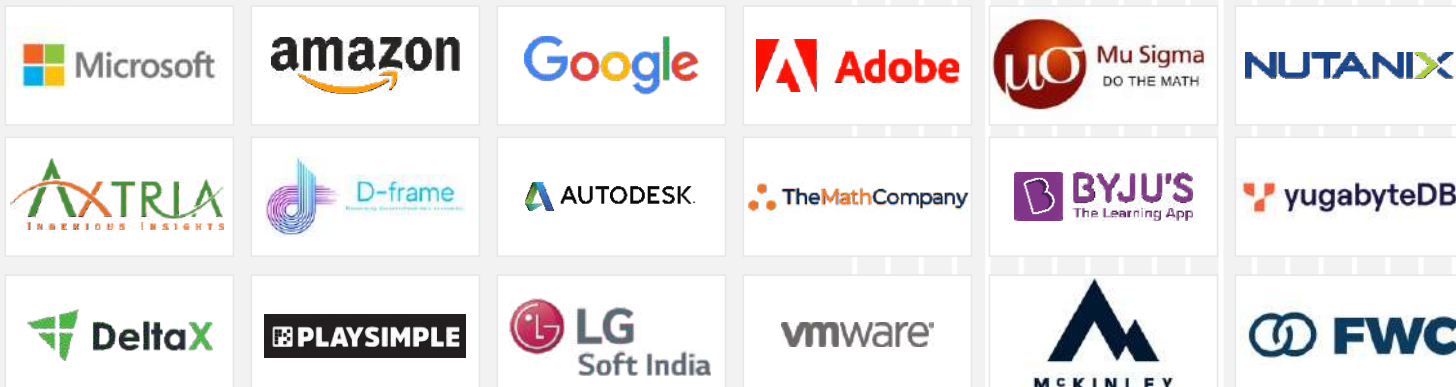

CGC University, Mohali is a New Age University built for the aspirations of the **Gen-Z generation** — dynamic, digitally native, and future-focused. Designed to nurture both intellect and innovation, the campus is a hub of academic brilliance powered by **AI-enabled learning environments** and forward-thinking infrastructure. With a team of experienced and passionate educators, students receive not just technical instruction, but transformative guidance that prepares them for the ever-evolving global landscape. From **smart classrooms and cutting-edge computer labs** to a fully computerized digital library with vast e-resources, every facility supports modern, hands-on learning. Round-the-clock **Wi-Fi connectivity**, immersive seminar zones, and digitally integrated academic tools ensure that students can explore, collaborate, and innovate without limits. The entire campus is designed to foster holistic development — blending knowledge, technology, and creativity to empower the changemakers of tomorrow. At CGC University, Mohali we don't just prepare students for the future — we prepare them to lead it.

CAREER OPPORTUNITIES

- › Design Engineer
- › Thermal Engineer
- › Manufacturing Engineer
- › Automation and Robotics Engineer
- › Research and Development (R&D) Engineer
- › Quality Control Engineer
- › Aerospace Engineer
- › Maintenance Engineer
- › Production Manager
- › Academic or Research Scientist
